

# What is New York Sea Grant?

New York Sea Grant (NYSG) is a statewide network of integrated research, education and extension services promoting coastal community economic vitality, environmental sustainability and citizen awareness about the State's marine and Great Lakes resources.

One of **34** university-based programs.

Eight different community groups from Nassau County participated in summer 2021's 3rd Annual Marine Camp, which continues to build upon a commitment to create tangible "hands-on" marine science educational programs for youth. Credit: Cornell Cooperative Extension of Nassau County.

More than **81%** of NY's **20M** people live near its **3,400** miles of coastline

Source: NOAA Coastal Management

Currently funding **36** innovative projects

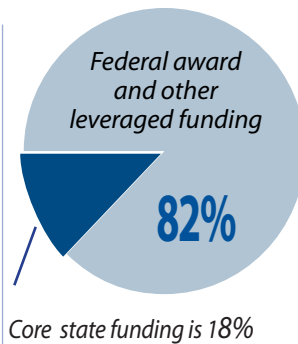

Supported **801** Graduate students for their advanced degrees since 1971

## Research and Outreach with Impact

NYSG uses input from stakeholders and the research community to advance state-of-the-art research and coastal management for the benefit of New York's varied coastal environments and communities.

Since 1971 NYSG received **\$192.7M** for research and outreach  
**2023-2024 budget approx. \$9.3M**

## Funding & Partnerships

NYSG has partners in:

- Northeast
- Great Lakes
- Mid-Atlantic

Sea Grant works on cutting edge topics in:

- Healthy Coastal Ecosystems
- Sustainable NY Fisheries, Aquaculture and Seafood Businesses
- Resilient NY Communities and Economies
- Environmental Literacy and Workforce Development in NY

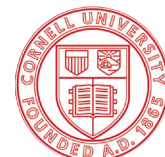

NYSG is a federal/state matching funds program

National Oceanic and Atmospheric Administration

State University of New York

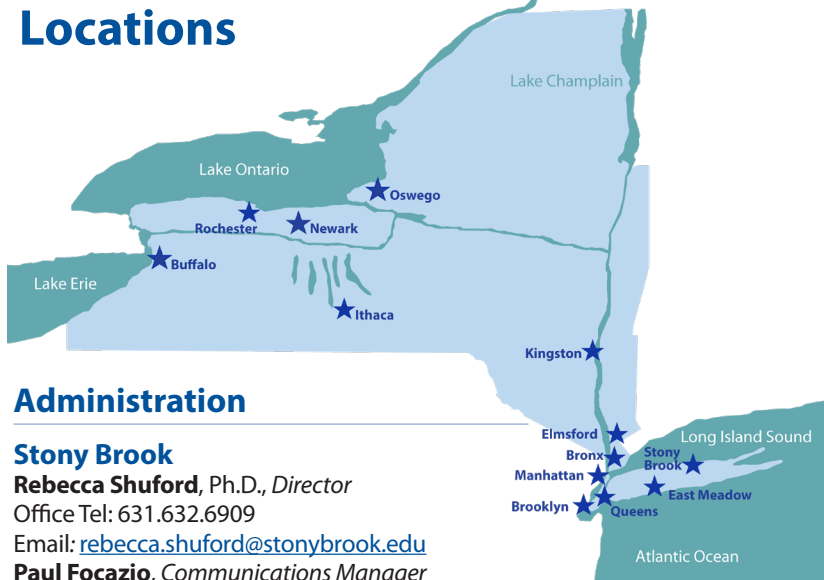

Cornell University
