

New York Aquaculture and Seafood Office Hours

Join New York Sea Grant and the New York State Agencies involved in aquaculture and seafood regulations for an overview of how production, processing, and marketing of fish, shellfish, and seaweeds is regulated in New York.

Meet Your State Partners: The Role of NY Agencies in Aquaculture and Seafood Regulations

January 31, 2025 at 2:00PM EST

Purpose

To enhance and facilitate active communication among academic, agency, and industry professionals related to aquaculture and seafood in New York.

Create a platform for regular interaction and communication among industry, agency, and academics who play a role in aquaculture and seafood production, processing, and marketing.

Provide an opportunity for industry to engage with experts to address issues or challenges they face related to the production, processing, and marketing of fish, shellfish, and seaweed.

Who Should Participate?

Anyone with interest and questions regarding the regulation of aquaculture and seafoods in New York.

Participating Agencies

Department of
Agriculture and Markets

Department of
Environmental
Conservation

Department
of Health
